

Iron & Steel

SHL service the iron and steel industry by providing first class refractory installations from the melting shop right through to the re-heating and heat treatment furnace.

SHL can offer full turn-key steel plant installation contracts and can provide 24 hours manning, 7 days per week.

Services include re-line and repair of:

- Transfer and Teeming Ladles
- Secondary Steel Making Ladles
- Electric Arc Furnaces
- A.O.D. Vessels
- Con-cast Tundishes
- A.O.D. Fume Hood Linings
- Soaking Pits
- Re-Heat & Heat Treatment Furnaces

SHL Refractories (UK) Ltd. has many years experience of refractories in various industries and would appreciate the opportunity to tender for your existing and future requirements.
